

Sunshine

Buckcherry

Playin' with me baby will get you stung like a bee
You keep playing with me baby until I'm deep in between
I know you're never gonna agree, love love roller coaster
You never let the sun shine, you better take it from me
And every time your sun shines, you make me weak in the knees
I know you're never gonna agree, love life roller coaster
Your Momma's never gonna believe, went to bed with a monster

Leave a light on cry tomorrow
And I'll show up
Leave a light on cry tomorrow
And let your sunshine
I bet you had a hard life, it's time to set you free
Crying with your green eyes, I'm sorry baby please

Sugar my sunshine I want to make you scream
Baby you're so fine you got to play with me
I know you're never gonna agree
Your mama's never gonna believe
Your daddy thinks I'm a freak
