Stars in your eyes, little one Where do you go to dream To a place, we all know The land of make believe

Shadows, tapping at your window
Ghostly voices whisper will you come and play
Not for all the tea in China
Or the corn in Carolina
Never, never ever
They're running after you babe

Run for the sun, little one You're an outlaw once again Time to change, Superman He'll be with us while he can In the land of make believe

Something nasty in your garden's waiting Patiently, till it can have your heart Try to go but it won't let you Don't you know it's out to get you running Keep on running They're running after you babe

Run for the sun, little one You're an outlaw once again Time to change, Superman He'll be with us while he can In the land of make believe

Your world is turning,
From night to day,
Your dream is burning far, far away

Into the blue,
You and I,
To the circus in the sky,
Captain Kids,
On the sand,
With the treasure close at hand,
In the land of make believe

In the land of make believe

Run for the sun, little one You're an outlaw once again Time to change, Superman He'll be with us while he can In the land of make believe

Run for the sun, little one You're an outlaw once again Time to change, Superman He'll be with us while he can In the land of make believe I've got a friend who comes to tea,
And no-one else can see but me,
He came today,
But had to go,
To visit you?
You never know
