

Surrender Your Heart

Bucks Fizz

Nothing straightforward in what you say
No reason I wonder why
Can't get no answers no other way
No matter how hard I try
After all the things you do
I only wanna be with you
You know it's only you

Surrender your heart
You know I'd do anything
But I'm in the dark
Surrender your heart
You know I'd do everything
I'm breaking apart
Surrender your heart
Surrender your heart
Surrender your heart

Without a reason for wasting time
You're losing a part of me

You know it's easy it's on the line
Don't want your apology
Waiting patiently for your call
It's the writing on the wall
You don't need me at all

Surrender your heart
You know I'd do anything
But I'm in the dark
Surrender your heart
You know I'd do everything
I'm breaking apart
Surrender your heart
Surrender your heart
Surrender your heart

What goes inside your head
Was it something I said to you
It's time now, your turn to make a move
