

I'm Gonna Set My Foot Down

Buddy Holly

We-ell, you say you're mine, but baby you don't show it
You better fly right, for before you know it
I'm a-going to set my foot right down on you
I wanna stop your struttin', baby, 'til you say you're through

I'm gonna turn you around and put you upside down
If that don't stop your runnin' around
I'm a-going to set my foot right down on you
I wanna stop your struttin', baby, 'til you say you're through

A-well, you tell me this a-and you tell me that
How come your dog bites me instead of that other cat
I'm a-gonna set my foot right down on you
Gonna stop your struttin', baby, 'til you say you're through

Well, you say you're mine, but baby you don't show it
You better fly right, 'cause before you know it
I'm a-going to set my foot right down on you
I wanna stop your struttin', baby 'til you say you're through

I wanna turn you around and put you upside down
If that don't stop your slippin' around
I'm a-going to set my foot right down on you
I wanna stop your struttin', baby, 'til you say you're through

A-well, you tell me this and then you tell me that
How come your dog bites me instead of that other cat
I'm a-gonna set my foot right down on you
I wanna stop your struttin', baby 'til you say you're through
