## Love's Made A Fool Of You

## **Buddy Holly**

Love can make a fool of you you do anything it wants you to love can make you feel so good - when it goes like you think it should or it can make you cry at night - when your baby don't treat you right

When you're feeling sad and blue you know love's made a fool of you

You know love makes fools of men but you don't care, you're gonna try again

Time goes by, it's apassin' fast - you think true love has come at last
but by and by you're gonna find - crazy love has made you blind

When you're feeling sad and blue you know love's made a fool of you
