Love's Made Me A Fool Of You

Buddy Holly

Love can make a fool of you
You do anything it a-wants you to
Love can make you feel so good
When it goes like you think it should
Or it can make you cry at night
When your baby don't treat you right
When you're feelin' sad and blue
You know love's made a fool of you

You know love will makes fools of men
But you don't care, you're gonna try it again
Times goes by, it's a-passing fast
You think true love-a has come at last
But bye and bye you're gonna find
Crazy love-a has-a made you blind
When you're feelin' sad and blue
You know love's made a fool of you

Love can make you feel so good
When it goes like you think it should
Or it can make you cry at night
When your baby don't treat you right
When you're feelin' sad and blue
You know love's made a fool of you
