

## Think It Over

Buddy Holly

Think it over what you've just said  
Think it over in your pretty little head  
Are you sure that I'm not the one?  
Is your love real or only fun?

Think it over  
Yes, think it over  
A lonely heart grows cold and old

Think it over and let me know  
Think it over but don't be slow  
Just remember all birds and bees  
Go by twos through life's mysteries

Think it over  
Yes, think it over  
A lonely heart grows cold and old

Think it over and think of me  
Think it over and you will see  
A happy day when you and I  
Think as one and kiss the blues goodbye

You think it over  
Yes, think it over  
A lonely heart grows cold and old

Think it over  
Think it over
