

## You've Got Love

Buddy Holly

You got two lips that look so fine  
You got one heart I wish was mine  
Love - sweet love  
You've got love (genuine love)

You got two arms that you could use  
To make me lose my blues  
Love - sweet love  
You've got love (real fine love)

You've got love - real love  
You've got love - sweet love  
You've got love - that is true  
I want only you

You got two eyes so you can see  
Your love was meant for me  
Love - sweet love  
You've got love (you've got love)

You've got love - real love  
You've got love - sweet love  
You've got me in a spin  
I like the spin I'm in
