You've Got Love

Buddy Holly

You got two lips that look so fine You got one heart I wish was mine Love - sweet love You've got love (genuine love)

You got two arms that you could use To make me lose my blues Love - sweet love You've got love (real fine love)

You've got love - real love You've got love - sweet love You've got love - that is true I want only you

You got two eyes so you can see Your love was meant for me Love - sweet love You've got love (you've got love)

You've got love - real love You've got love - sweet love You've got me in a spin I like the spin I'm in
