

# Somewhere Trouble Don't Go

Buddy Miller

Devil had a daughter  
Took me to deep water  
Tried to kill me with a kiss  
She said "hey now honey"  
What about the money  
I said " I ain't got time for this"

Take me take me somewhere trouble don't go  
Make me make me someone trouble don't know

She said baby come inside  
I said sorry I got to ride  
Sorry but I got to ride  
You know you could end up dead  
Sleeping in the devil's bed  
Sleeping in the devil's bed

Take me take me somewhere trouble don't go  
Make me make me someone trouble don't know

Baby wants to drive my car  
But she wants to go too far  
But she wants to go too far  
First comes love it's so fine  
Here comes heartache right behind  
Here comes heartache right behind

Baby used to be so sweet  
Now she won't come down my street  
Now she won't come down my street

All my plans got derailed  
She locked up my heart in jail
