

# That's How Strong My Love Is

**Buddy Miller**

If I was the sun way up there  
I'd go with my love most every where  
I'd be the moon when the sun goes down  
Just to let you know that I'm still around  
That's how strong my love is  
I'll be the weeping willow drowning in my tears  
And you can go swimming when you're here  
And I'll be the rainbow after the tears are gone  
Wrap you in my colors and keep you warm  
That's how strong my love is  
I'll be the ocean so deep and wide  
And catch all the tears whenever you cry  
I'll be the breeze after the storm is gone  
To dry your eyes and love you once more  
That's how strong my love is
