

## Don't Cry

**Budgie**

Don't cry, don't cry  
Hold on, we'll meet again  
So long to Independence Day

Don't cry, don't cry  
Be strong, the mist must fade away  
My heart goes with you today

Don't cry, stand on your own  
Don't cry you know you're never alone  
Don't cry, don't cry

Oh, my life is just the same as yours  
Your will, open up the doors  
Don't cry, don't cry
