

# Reaper of the Glory

**Budgie**

There must be a way up the ladder  
'Cause I've got to move to the top  
I'm seeking the power and the glory  
But nobody knows when to stop  
They call him the reaper of the glory  
When you're searching for somewhere to go  
The gun is the key, and it always will be  
A powerful friend or a foe

Got no time, my life's mine  
Ain't no friend to me  
I don't care, I won't wear  
My heart on my sleeve  
Rain or shine, I don't mind  
You don't impress me  
I can say, in my way  
I don't want to be...

Reaper of the glory, same old story  
To be reaper of the glory, same, same story

The injured are lying in the roadside  
Who dares means that someone will lose  
You fallen like a rock in a landslide  
You're hurting yourself it's no use  
Call him the reaper of the glory  
Searching can make you so cruel  
The reaper goes on, as he steps on their bones  
He doesn't play by the rules
