

Renegade

Budgie

My love is like a spinning top
Underneath all is hot
My love is like a spinning wheel
Turn me round can you feel
My love is like a roller coast
Take a glass, drink a toast
My love is a hungry cat
Tell me what do you think of that?

Wo oh oh oh oh, I'm a renegade
Wo oh oh oh oh, I'm a renegade
Wo oh oh oh oh, I'm a renegade

My love knocking at the door
I was hot I can't take no more
I can't tell now what to do
I give up. I'm for you

I make trouble all the time
Spend my love, I think it's fine
Now, my love ought to be a friend
I give up now, In the end

Wo oh oh oh oh, I'm a renegade
Wo oh oh oh oh, I'm a renegade
Wo oh oh oh oh, I'm a renegade
Wo oh oh oh oh, I'm a renegade

I'm a renegade
I'm a renegade
I'm a renegade
I'm a renegade

My love knocking at the door
I was hot I can't take no more
I can't tell baby what to do
I give up. I'm for you

My love is a roller coast
Take a glass, drink a toast
My love is a hungry cat
Tell me what do you think of that?

Wo oh oh oh oh, I'm a renegade
I'm a renegade...gain, again, and again
Wo oh oh oh oh, I'm a renegade
Wo oh don't tell me what you wanna be
Wo oh oh oh oh, I'm a renegade
Don't you try it, don't you try it
