Pretty Girl Why

Buffalo Springfield

Like the ghost of someone near She comes to haunt me in my sleep Still unable to sincerely Get her heart away for keeps

Pretty Girl why? Pretty girl why not love me? Pretty girl why? Pretty girl why?

There she leaves me twice as lonely As I was but yesterday Keeping such a hold upon my thoughts So near yet far away

Pretty Girl why? Pretty girl why not love me? Pretty girl why? Pretty girl why?

The minstrel boy has gone to war now Burdened with his father's sword Still she doesn't see how she can Give him peace amidst the horror

Pretty Girl why? Pretty girl why not love me? Pretty girl why? Pretty girl why?
