

Baby

Buffalo Tom

Y'got married, in the morning
Suzy, don't worry
I'm hidin' your lies in
I'm diggin' "New Day Rising" *

Life is a maybe
Because you're such a baby
Life is a maybe

You're crazy so lazy
You're feeding me spaces
I'm kneelin' cuz you're feeling
You keep your hands on the ceiling

Life is a maybe
Because you're such a baby
Life is a maybe
Because you're such a baby
Life is a maybe

I'll never believe you
I can really see you
You're feedin' my thievin'
Oh baby, keep me singing

Life is a maybe
Because you're such a baby
Life is a maybe
Because you're such a baby
Life is a maybe
