## **Buffalo Tom**

One things for sure It's not the same anymore Close the door There's a wind coming in And if it's true I will believe in you, in you, in you And if it's true I will believe you, believe you That's what I will do And if your sure Say no more It's impossible It's impossible In and out I'm runnin out of time Friends of mine I feel like I'm getting old And If it's true There are some things that I must do Me and you Me and you And if it's true I will believe you, believe you That's what I will do And if you're sure Say no more It's impossible It's impossible
