I close my door at night But they get in all right And she turns on the light

I held her hands so tight 'Cause words don't come out right And she sees things at night

Me, I'm closer to the door I don't get scared no more But I don't know the score

If I could hold them in my hand
I'd make them understand
I'm not a haunted mind
I'm not a thoughtless kind

If I could put them in a jar I know they wouldn't scar I'd do it if I could I hope you know I would

I close my door at night But she gets in all right So I turn on the light

I held her hand too tight Too hard to make it right So I could sleep at night

If I could hold them in my hand
I'd make them understand
I'm not a haunted mind
I'm not a thoughtless kind

If I could put them in a jar I know they wouldn't scar I'd do it if I could I hope you know I would

I'd do it if I could
I hope you know I would
I'd do it if I could
I hope you know I would
I'd do it if I could
I hope you know I would
I'd do it if I could
I hope you know I would
I hope you know I would
