

## Too Much Is Never Enough

Buffy Sainte-Marie

A reckless world out of control  
And he's the one supposed to tame it  
A restless heart out on patrol  
He was in love but he couldn't name it  
And Baby comes to lay his heart down  
When his tough is wearing thin  
When the world has had enough of him  
He knows just what I'll say  
Too much is never enough  
When it comes to loving you  
You'll see  
Too much is never enough  
I'll be there  
All the way to where forever goes  
Our world just suddenly went so dark  
Whatever was there, we couldn't read it  
I saw his dreams go up in smoke  
He only said, "I just don't need it"  
And then he held me to his heart  
Although his world was falling down  
He dried my tears and he held me close  
And he said, "We'll make it Baby"  
Too much is never enough  
When it comes to loving you  
You'll see  
Too much is never enough  
I'll be there  
All the way to where forever goes
