

I'm listening it all,  
to whispers still and small.  
Would I come when you call,  
and get up and go?  
What would I even do,  
if I heard from you,  
I'm ready to move.

You, I believe that you see,  
in me your hands and your feet.  
I'm picking up my cross,  
I'm gonna walk the talk  
Cause Lord I finally know.

If you say go,  
I'll never say no,  
I'll never say, never say, never say no.  
I'll get up and go,  
I will get up and I'll go,  
I will get up and I'll go.

So stop me in my tracks,  
don't let me get attached,  
to things that never last,  
cause I want more.  
To see your kingdom come,  
and hear You say "Well done",  
cause Lord I finally know.

If you say go,  
I'll never say no,  
I'll never say, never say, never say no.  
I'll get up and go,  
I will get up and I'll go,  
I will get up and I'll go.

(Go)

(Go) to the lost and the hopeless,  
(Go) through the doors You have opened,  
(Go) speak the words you have spoken,  
(Go) that the world may know.

(Go) to the lost and the hopeless,  
(Go) through the doors You have opened  
(Go) speak the words you have spoken,  
(Go) that the world may know.

That the world may know,  
I will go.  
That the world may know,  
I will go,  
I'll never say no,  
I'll never say, never say, never say no.  
I'll get up and go,  
I will get up and I'll go,  
I will get up and I'll go.
