

## Stronger

Building 429

I want you to know  
That I'm getting stronger  
With every punch you throw  
I'm not staying down  
Staying down  
Oh no  
I'm getting stronger  
With every word you say  
I'm not staying down  
I'm getting stronger

I look into your eyes  
And I see pain  
I can see the fear  
But you hide it away  
When you push me  
When you push me  
I'm looking at your hands  
And I see scars  
Looking at the remains of  
Your broken heart  
When you push me  
Yeah you push me

You got less than you deserved  
So you need someone to hurt

I want you to know  
That I'm getting stronger  
With every punch you throw  
I'm not staying down  
Staying down  
Oh no  
I'm getting stronger  
With every word you say  
I'm not staying down  
I'm getting stronger

You know how it feels to fall apart  
You got it all  
But it's a house of cards  
When you push me  
When you push me  
Masquerading like a king on a hill  
If they knew you  
Would they love you still  
When you push me  
Yea you push me

And every day you just get worse  
So you need to share the hurt

I want you to know  
That I'm getting stronger  
With every punch you throw  
I'm not staying down  
Staying down

Oh no  
I'm getting stronger  
With every word you say  
I'm not staying down  
I'm getting stronger

Someday...  
Someday...  
Ohh...

Maybe some day  
We'll find a way  
To stand together  
And maybe you'll see  
That you're just like me  
We're stand together

And maybe some day  
We'll find a way  
To stand together  
Maybe you'll see  
You're just like me  
We're stand together

I want you to know  
That I'm getting stronger  
With every punch you throw  
I'm not staying down  
Staying down  
Oh no  
I'm getting stronger  
With every word you say  
I'm not staying down  
I'm getting stronger

Maybe some day  
We'll find a way  
To help each other  
Maybe you'll see  
That you're just like me  
And we're stand together

Maybe some day  
We'll find a way  
To help each other  
Maybe you'll see  
That you're just like me  
And we're stand together

Maybe some day  
We'll find a way...
