

# Girl

## Built to Spill

Sitting at the railway station  
Reading books about intimidation  
Waiting for my girl to come  
And if she does will she be dumb  
Or really smart  
Will she break my heart  
And wad it up and throw it in my face  
I knew I'd find a nice girl someday  
Find a nice girl

Settle down  
Someone I can talk to  
Someone I don't have to talk to  
Someone who'll gimme time and gimme space  
And take it all away sitting at the bus station  
Reading books about legislation  
Suddenly my girl comes  
And she's not even dumb  
In fact she's kinda smart  
Will she break my heart  
And wad it up and throw it in my face  
I knew I'd find a nice girl someday  
Find a nice girl

Settle down  
Someone I can talk to  
Someone I don't have to talk to  
Someone who'll gimme time and gimme space and take it all away  
Actually I've never even been to a railroad station even though I used to live near one  
And still I'm waiting for my girl to come  
And if she does will she be dumb  
Or really smart  
Will she break my heart  
And wad it up and throw it in my face  
Wad it up and throw it in my face  
I knew I'd find a nice girl someday  
Find a nice girl

Settle down  
Someone I can talk to  
Someone I don't have to talk to  
Someone I can talk to  
Someone I don't have to talk to  
Someone I can talk to  
Someone I don't have to talk to  
Someone I can talk to  
Someone I don't have to talk to  
Someone I can talk to  
Someone I don't have to talk to  
Someone I can talk to  
Someone I don't have to talk to  
Someone I can talk to
