Some Things Last A Long Time

Built to Spill

Your picture Is still On my wall On my wall The colors Are bright Bright As ever The red is strong The blue is true Some things last a long time Some things last a long time your picture Is still On my wall On my wall I think About you Often Often I can't forget all the things we did Some things last a long time Some things last a long time it's funny But it's true And it's true But it's not funny Time comes and goes All the while I still think of you Some things last a long time Your picture Is still On my wall On my wall The colors Are bright Bright As ever Times that we shared All that we forget Some things last a life time Some things last a life time
