

# Innocent

**Buju Banton**

JAH knows I'm Innocent. JAH knows I'm Innocent. Yeaah!  
Look I here now come now I sayeth  
donta flip it anymore oh Lord  
Earth is my mother have not known no other the forces have gathered for what I dont know I really dont know dating their clever doing whatever all men will have to equal their soul from the earth and soul  
men says what eyes dont see heart dont need  
they play the game a find us keepers lose us weed just to find a food to eat tear of life assisting my depression but we know we must make IT better yeah!  
this earth is my mother have no Ive known other the forces have gathered for what I dont know I really don't know dating their clever doing for really whatever all men will have to equal their soul remember I tell you I've been accused wrongly convicted JAH knows I'm innocent JAH knows I'm innocent yeah!  
I've been viblazing the dark bible of the friends and brethrens of soul me out I was the kind of style rejected and refused left alone in my blues  
therefore you could never fit my shoes no no  
and I will bow down and totally refuse tell babylon for them we ve got news rasta come to pick and choose and were gonna choose well tell them I said go to hell  
Earth is my mother have not Ive known other the forces have gathered for what I dont know I really I dont know  
they think that their clever doing whatever all men will have to equal their soul remember buju tell you  
woah woah women cry no more redemption try at night LORD women needs a sister I beg you wipe your eye affliction updates attention soon me over
