

Make My Day

Buju Banton

Happiness is what I feel
This is what I've got to reveal
I'll be your friend
to the end like "Chucky"
Do you understand?
I'm reaching out to the love of my life
Everlasting!

You're the rose in my garden -
pretty little flower
Guardian angel -
fairy godmother
A friend to the end
and also a lover
My one and only,
I don't need another
You're the heat in my winter,
and the breeze in my summer
Love escalating,
growing by the hour
The sweet inna my life,
when my life seems sour
You are my energy,
the source of my power

Girl, you make my day
(uh, yeah, yeah, yeah)
a little things you do ???
Girl, you make my day
(please, stay-ye-yeah)
Don't ever ever go away

You are di beat a mi heart,
the topic a mi dream
Remember that I love
no matter how it seem
You bring joy inna mi life,
girl, you a mi queen
You know my lovin'
is pure and clean
So don't you ever leave me,
stay by mi side
Lovin' you is easy,
my future bride
Woman, my heart is open wide
The way you make me feel
I just can't hide

Girl, you make my day
(uh, yeah, yeah, yeah)
a little things you do ???
Girl, you make my day
(please, stay-ye-yeah)
Don't ever ever go away

Woman, you make my day,
you make my year

The little things that you do
show me that you care
Moments of laughter,
memories that we share
Light of mi life
and erase my fears
You're my ever reason
to go on and fight
Tough in and out of season,
day and night
If my whole life is wrong
I know you are right
So here is another thing
I want to highlight

Girl, you make my day
(uh, yeah, yeah, yeah)
a little things you do ???
Girl, you make my day
(please, stay-ye-yeah)
Don't ever ever go away

All you, girls

Girl, you make my day
(uh, yeah, yeah, yeah)
a little things you do ???
Girl, you make my day
(please, stay-ye-yeah)
Don't ever ever go away

Girl, you make my day
(uh, yeah, yeah, yeah)
a little things you do ???
Girl, you make my day
(please, stay-ye-yeah)
Don't ever ever go away
