

# Pull It Up

**Buju Banton**

Trus mi man  
Anyway it deh, we a fi find it  
A fi find it, sing fada sing

Pull up da vibes that you're playing  
Can you play some more, can you play some more  
Lif it up, jack it up, pull it up, come again now  
Can you play some more, can you play some more

Without di dancehall, a whe we woulda do  
Reggae muzik call, you must ansa to  
Wine up, jump up, when you hear sweet reggae  
Buju Banton, Beres Hammond a fi tell dem go deh  
Without di dancehall, a whe we woulda do  
Reggae muzik call, you must ansa to  
Wine up, jump up, when you hear sweet reggae  
Buju Banton, Beres Hammond a fi tell dem go deh

Everyone a do di dance weh dem love  
In dis yah dancehall no form a grude  
Greet everyone dat enter wit a hug  
Come spread out and listen to some sweet rubba-dub

Pull up da vibes that you're playing  
Can you play some more, can you play some more  
Lif it up, jack it up, pull it up, come again now  
Can you play some more, can you play some more

Scary and di one name Skellion  
Dem know every ting weh a gwaan  
Mi ago rope dem een a mi corner  
Fi find out if mi bredren dem ina di lawn  
Everywhere I look is pare scanking  
I see no statue around, yeah

To ratid, I see girls a get wild  
Selector a spin muzik versatile  
Dem wan tun dung we sound and bruk we vibes down  
A who dem a try turn in a clown  
Dancehall full up and mi caan get a chance  
How mi ago find mi sistren ina di dance  
Muzik a play, people jump and prance  
Bruk out, you selector boy

Lif it up, jack it up, pull it up, come again now  
Can you play some more, can you play some more

Di whol dance a cry, di whol dance a cry  
I say di whol dance a cry  
Caan get a chance fi mek a likkle step  
Dancehall ram a mi say no place nuh lef  
A police come a turn it off di vibes dem waan fi wreck  
And dis is Buju Banton mi say no respeck  
Well listen Beres Hammond who's a true interlek, say

Yes you got me rock in a corner  
Can't express how mi glad come, yah

A neva seen so much good vibes flow  
Everyone inside is like family  
I see no strangers around  
And every massive is here  
And tonight we nuh care  
Kill di violence dead, mek we rock it instead  
Jump and palve everyman get red now

Pull up da vibes that you're playing  
Can you play some more, can you play some more

Without di dancehall, a whe we woulda do  
Reggae muzik call, you must ansa to  
Woman a jump up, woman a wine up, when dem hear sweet reggae  
Go deh Buju Banton, seh fi go deh, go deh  
Without di dancehall, a whe we woulda do  
Reggae muzik call, you must ansa to  
Wine up, jump up, when you hear sweet reggae  
Dis yah weh we Lord a mercy... I sing

To ratid, I see girls a get wild  
Selector a spin muzik versatile  
Dem wan tun dung we sound and bruk we vibes down  
A who dem a try turn in a clown  
Dancehall full up and mi caan get a chance  
How mi ago find mi sistren ina di dance  
Muzik a play, people jump and prance  
Bawl out, selector boy
