

# Sleepless Nights

Buju Banton

Something is wrong I see it in your eyes (your eyes)  
Ohhh Girl  
Where is the joy where is your big broad smile  
Ohh who who who  
Seems you don't trust me anymore  
Showing signs I've never seen before  
Baby on my own I should get by  
Could I would I?  
How will I know if I don't try?  
Must I deny?  
Clearly you don't trust me anymore ahhh  
Showing signs I've never seen  
And to erase the mistakes of life and amend  
If I had a chance to do it again  
Id right the wrongs that your little heart  
Would not be singing sad songs  
All the pain is all the past  
That grows and die like grass  
I don't ever want to live without you ohhhh

Baby on my own I should get by  
Could I would I?  
How will I know if I don't try?  
Must I deny?  
Clearly you don't love me anymore ahhh  
Showing signs I've never seen before  
Ahhh ahhh (could I would I) ahhh ahhh  
Clearly you don't trust me anymore ahhh  
Showing signs I have never seen (before)

These are restless and sleepless nights  
Alone I cry  
You're not around me to confide  
Because of your pride  
I tried you said I lied ohhhh  
So fed up I'm sick and tired  
Ohhh I say

Baby on my own I should get by  
Could I would I  
How will I know if I don't try?  
Must I deny?  
Clearly you don't trust me anymore ahhh  
Showing signs I've never seen  
And to erase the mistakes of life and amend  
If I had a chance to do it again  
Id right the wrongs that your little heart  
Would not be singing sad songs  
All the pain is all the past  
That grows and die like grass  
I don't ever want to live without you ohhh

Baby on my own I should get by  
Could I would I?  
How will I know if I don't try?  
Must I deny?  
Clearly you don't love me anymore ahhh

Showing signs I've never seen before  
Ahhh ahhh (could I would I) ahhh ahhh ohhh  
Clearly you don't trust me anymore ahhh  
Showing signs I've never seen before
