

Her Voice Resides

Bullet For My Valentine

Our time has ended
I feel it's only just begun
And I'm frustrated
I can't believe you're not the one

My ears are bleeding
Her voice resides inside my head
And now I'm choking
Release this noose around my neck

Will I just fall to pieces
Or am I alright?
To iron out my creases
You must lacerate me 'till they're gone

These are my final words to you
I know you're listening, can you hear me?
The time has come to say goodbye
These are my final words, to you

The clock is ticking
My heart is bursting through my chest
And now I'm crying
The tears are falling off my face

The chair is creaking
Her voice resides inside my head
And now its over
You put this noose around my neck

Will I just fall to pieces
Or am I alright?
To iron out my creases
You must lacerate me 'till they're gone

These are my final words to you
I know you're listening, can you hear me?
The time has come to say goodbye
These are my final words, to you

Heaven, where is my angel?
I need her now, holding me
Heaven, where is my angel?
I need her now
Holding me. tonight

Now

Will I just fall to pieces
Or am I alright?
To iron out my creases
You must lacerate me 'till they're gone

These are my final words to you
I know you're listening, can you hear me?
The time has come to say goodbye
These are my final words, to you
