

## Her Voice Resides

### Bullet For My Valentine

Our time has ended  
I feel it's only just begun  
And I'm frustrated  
I can't believe you're not the one

My ears are bleeding  
Her voice resides inside my head  
And now I'm choking  
Release this noose around my neck

Will I just fall to pieces  
Or am I alright?  
To iron out my creases  
You must lacerate me 'till they're gone

These are my final words to you  
I know you're listening, can you hear me?  
The time has come to say goodbye  
These are my final words, to you

The clock is ticking  
My heart is bursting through my chest  
And now I'm crying  
The tears are falling off my face

The chair is creaking  
Her voice resides inside my head  
And now its over  
You put this noose around my neck

Will I just fall to pieces  
Or am I alright?  
To iron out my creases  
You must lacerate me 'till they're gone

These are my final words to you  
I know you're listening, can you hear me?  
The time has come to say goodbye  
These are my final words, to you

Heaven, where is my angel?  
I need her now, holding me  
Heaven, where is my angel?  
I need her now  
Holding me. tonight

Now

Will I just fall to pieces  
Or am I alright?  
To iron out my creases  
You must lacerate me 'till they're gone

These are my final words to you  
I know you're listening, can you hear me?  
The time has come to say goodbye  
These are my final words, to you
