

## **Livin' Life (On the Edge of a Knife)**

**Bullet For My Valentine**

I don't know where to start  
Too many issues on my mind  
This is straight from the heart  
You need to take a look inside

You wanna push me away  
You wanna sacrifice what we have  
I will not beg you to stay  
And it hurts me to say

You're not alive  
You're dead inside!  
Living your life on the edge of a knife  
Living your life on the edge of a knife  
(2x)

Don't know you're alive  
Why don't you try and make things right  
'Cause if you want to survive  
You'll have to take a look inside

Poison - it runs through your veins  
You wanna sacrifice what we made  
And then is all that remains  
And it hurts me to say

You're not alive  
You're dead inside!  
Living your life on the edge of a knife  
Living your life on the edge of a knife  
(2x)

Hey! You're dead inside!  
You never knew you were fuckin' alive  
Hey! You're dead inside!  
You're too weak, you will never survive

Poison - it runs through your veins  
You wanna sacrifice what we made  
And then is all that remains  
And it hurts me to say

You're not alive  
You're dead inside!  
Living your life on the edge of a knife  
Living your life on the edge of a knife  
(2x)
