Say Goodnight

Bullet For My Valentine

Heaven's waiting for you Just close your eyes and say goodbye Hearing your pulse go on and on and on

I live my life in misery I'd sacrifice this world to hold you No breathe left inside of me Shattered glass keeps falling

Say, say goodnight Just sleep tight Say goodnight

Flowers laid out for you So many colors leave me blind Seeing your face reflect from our baby's eyes

I live my life in misery I'd sacrifice this world to hold you No breathe left inside of me Shattered glass keeps falling

Say, say goodnight Just sleep tight Say goodnight

So here I am You're inside of me So here I am Our world is over

So here I am You're inside of me So here I am Our world is over

Here I am with you I'm there till the end Memories are calling So farewell, my friend Farewell, my friend

Here I am with you I'm there till the end Memories are calling So farewell, my friend Farewell, my friend
