

Tears Don't Fall

Bullet For My Valentine

1. With blood shot eyes I watch you sleeping
The warmth I feel beside me is slowly fading
Would she hear me if I called her name?
Would she hold me if she knew my shame?

There's always something different going wrong
The path I walk is in the wrong direction
There's always someone f**king hanging on
Can anybody help me make things better?

R: Your tears don't fall

They crash around me
Her conscience calls the guilty to come home
Your tears don't fall

They crash around me
Her conscience calls the guilty to come home

2. The moments died, I hear no screaming
The visions left inside me are slowly fading
Would she hear me if I called her name?
Would she hold me if she knew my shame?
There's always something different going wrong
The path I walk is in the wrong direction
There's always someone f**king hanging on
Can anybody help me make things better?

R: Your tears don't fall...

*: This battered room I've seen before
The broken bones they heal no more, no more
With my last breath I'm choking
Will this ever end I'm hoping
My world is over one more time
Lets go

3. Would she hear me if i called her name?
Would she hold me, if she knew my shame?
There's always something to be going wrong
The path I walk is in the wrong direction
There's always someone f**king hanging on
Can anybody help me make things better?

R: Your tears don't fall

They crash around me
Her conscience calls the guilty to come home
Your tears don't fall

They crash around me
Her conscience calls the guilty to come...BACK HOME!
Your tears don't fall

They Crash around me
Her conscience calls the guilty to come HOME!
