Waking the Demon

Bullet For My Valentine

Helpless, my eyes are bleeding From the fear that's inside You sealed your demise When you took what was mine

Don't try to stop me From avenging this world No voice to be heard

Waking the demon Where'd you run to Walking in shadows Watch the blood flow

There's not much longer So don't try to fight Your bodies weakening Walk to the light

Those painful times So alone so ashamed I'm not coming back There's nothing to gain

Caution there's just no limits To the boundaries you push I warned you but still you just Fuck with my mind

There's no escape from This rage that I feel Nothing is real

Waking the demon Where'd you run to Walking in shadows Watch the blood flow

There's not much longer So don't try to fight Your bodies weakening Walk to the light

Those painful times So alone so ashamed I'm not coming back There's nothing to gain

Breathe for me Don't wake me from this slumber Stay with me Possession taking over

Breathe for me Don't wake me from this slumber Stay with me Possession taking over Breathe for me Don't wake me from this slumber Stay with me Possession taking over

Breathe for me Don't wake me from this slumber Stay with me Possession taking over

Waking the demon
