

White Lies Blue Eyes

Bullet

White lies in her blue eyes
Goodbye is on the way
White lies in her blue eyes
Evil's the game she plays

Well, she's trying to tempt you
With her music and her line
Well, her lips look so inviting
And those sultry eyes
They get to shine

Oh, but look a little deeper
At all that come on stare
Then you might be able
To see what's lying there

It's those

Don't you ever
Let her get to you
The way that she got to me
Though the signs were plainly written
I just didn't want to see

But she could do most anything
If you give her time
A living testimonial
Don't make me color blind

There are
