

Hard As A Rock

Bulletboys

Let's ride
My kind of baby
She likes to sweat
And she likes it real hard
She likes it real wet
I dig the way you touch me
You get me up like a shot
I dig the way you d-d-d-d-do me
You give me everything you've got
Hard as a rock
Hard as a rock
You get me baby hard as a rock
Hard as a rock
Hard as a rock
Ooh baby hard as a rock, yeah
My baby's got rhythm
Never misses a beat
Give me the g-string shivers
She's always in heat
I dig the way you smack me
The way you lick your lips
I dig the way you d-d-d-d-do me
Do me with your fingertip-tip-tip-tips
Hard as a rock
Hard as a rock
You get me baby hard as a rock
Hard as a rock
Hard as a rock
Ooh baby hard as a rock, yeah
Hard as a rock
Hard as a rock
Ooh, you get me baby hard as a rock
Hard as a rock
Hard as a rock
You get me baby, baby
Hard as a rock
Hard as a rock
Ooh, you get me baby, baby put my lady
Hard as a rock
Hard as a rock
Whoa you get me
So hard
As a rock, yeah yeah
