

## Days of Anguish

### Burden Of Grief

Never thought I would be the one  
Who dreams of you night and day  
You chained me against my will  
And I can no longer resist

You know you are the only one  
Whom I love, you ignore me  
There is silence in my heart  
When I stay without you

But you left me in my room  
Days of anguish begin for me  
And I, I got no reason  
To live without you  
I can't live without you

You're walking alone  
Without noticing me  
But I hope the day will come  
When you will stay by my side

When I leave you without hope  
When you turn your face away  
Your laughter still burns in me  
And I feel frustration
