

## Shell of Light

### Burial

Give me a hug

Closer, closer  
Closer, closer

Love you more  
Love you more

Love you here  
Love you here  
Know love  
Know love

It's you

God, can you please hurry and find me?  
I wasn't sure if we could be friends

God, can you please hurry and find me?  
I wasn't sure if we could be friends

God, can you please hurry and find me?  
I wasn't sure if we could be friends
