

Shell of Light

Burial

Give me a hug

Closer, closer
Closer, closer

Love you more
Love you more

Love you here
Love you here
Know love
Know love

It's you

God, can you please hurry and find me?
I wasn't sure if we could be friends

God, can you please hurry and find me?
I wasn't sure if we could be friends

God, can you please hurry and find me?
I wasn't sure if we could be friends
