

## Cleanse Yourself

### Buried Alive

Crave, crawl, drench  
Cleanse  
(Cleanse yourself)  
Crave, crawl, drench  
Cleanse  
(Cleanse yourself)  
Commitment is dead, purity is dead  
Values are dead  
Truths the enemy, feeling's the enemy  
Innocence is the enemy  
Believers a fool, [incomprehensible] a fool  
Loyal's the fool  
Hope will destroy, faith will destroy  
Compassion destroys  
Cleanse yourself, yourself  
And you can cleanse yourself  
You crave, you crawl, you're drenched  
Drenched yourself  
Crave, crawl, drenched  
Drenched  
(Drenched yourself)  
Commitment is dead, purity is dead  
Values are dead  
Truths the enemy, feeling's the enemy  
Innocence is the enemy  
Believers a fool, [incomprehensible] a fool  
Loyal's the fool  
Hope will destroy, faith will destroy  
Compassion destroys  
Cleanse yourself, yourself  
And you can cleanse yourself  
You crave, you crawl, you're drenched  
Drenched yourself  
Crave, crawl, drenched  
Drenched  
(Drenched yourself)
