Hang Yourself In Shame

Buried Alive

Hang yourself in shame, the verdict falls on you.

Ive heard you're cries of revolt and rage I belived and fought for life and change Material lust, and material gains dragged you away Now you choke on every fucking word you say Every word you say And I will never , ever fucking be like you Can you live with yourself. Shallow glass Can you live with yourself. collapsing past

You're the one that i despise.

Now hang yourself in shame.
