OWWWWWWW!

Past another constant remind of adversity You know your scraping the life out of me I kept it on the inside, I fucking nearly died I would've dragged all you fucks down to hell You broke me down Breaking through this I'm waking to this game You'll bleed the truth when I'm standing above you Clear your head, remember what they did Choose to sacrifice, exact your revenge Take all the hard roads and earn every step You broke me down Breaking through this I'm waking to this game Take all the hard roads and earn every step Life, let it teach you pain Let it make you stronger Take your fucking dirt nap Take your fucking dirt nap Take your fucking dirt nap OWW!
