

Anybody Out There

Burlap To Cashmere

Sometimes while I'm driving
Trying to find my song
Looking for the answers
And where I do belong
Finally the children are
Bringin' me back home

[Chorus]

Is there anybody out there
Does anybody care
Are the people really there
Is there anybody seeking
Does anybody see
Or are they deaf and dumb like me

Sometimes when I'm drivin'
Lookin' for my song
Lookin' for the answers
And where I do belong
And Finally the children are
Bringin' me back home

[Chorus]

Sometimes when I'm drivin'
Still lookin' for my song
Lookin' for the answers
And where I do belong
Yes, and Finally sweet Jesus is
Bringin' me back home

[Chorus]

Is there anybody out there
Does anybody care
Are the people really there
Is there anybody seekin'
Does anybody see
That he died upon a tree
