Burlap To Cashmere

Now I have seen the glory.
And you will see the fun.
And we shall fight together,
Like father and son.
Cause I am done.
Yes I have won.
(chorus) In the winter lies a naked man.
With a horse and a gun.
I shall never see his face again,
Cause I am done.
Now boy, you know the story.
Fight and you shall win.
And if you roll the dice right,
You'll be the next of kin.
Cause I am done.
Yes I have won.
(chorus)- 'Cause I have won.
(chorus)- 'Cause I have won, yes I. . .
We're gonna take over the world.
(repeated)
