

Alone

Burn Halo

Something's burning inside of me
Can I put out the flame
Before I'm laid to waste
Hear I stand it's getting hard to breathe
Now I can feel the burn
it's getting cold and lonely

Stay because I'm feeling alone
And I need you more than you know
Don't leave because I'm under attack
And you don't have a reason to go
Don't leave me alone

I've been living too blind to see
How do you know my name
Why are we all the same
I count all the memories
The bitterness of old
How is my life unfolding

Stay because I'm feeling alone
And I need you more than you know
Don't leave because I'm under attack
And you don't have a reason to go
Don't leave me alone

I'm going to end up
Going to end up wasting away
I'm going to end up
Going to end up wasting away

Stay because I'm feeling alone
And I need you more than you know
Don't leave because I'm under attack
And you don't have a reason to go
Don't leave me alone

Stay because I'm feeling alone
And I need you more than you know
Don't leave because I'm under attack
And you don't have a reason to go
Don't leave me alone

Don't leave me alone
Don't leave me alone
