

## Closer

## Burn Season

You say  
I'm stuck somewhere back in between  
My blurred memories  
Some say  
I kicked myself right in the face  
I'm not as I seem.

I'd erase what you say  
Scrambled words in the way  
But you can't take away  
Turn away  
Run away  
Fuck with me!

Don't say that its over  
I'd kill to be closer  
A moment in passing, to you  
But to me  
I will wait  
And I'll take  
Anything with your name  
Don't say that its over  
You can't live without me

You say  
There's something wrong in my head  
So I like to bleed  
You say  
I'm scaring you now,  
but I'm tired  
From watching you sleep

I'd erase what you say  
Scrambled words in the way  
But you can't take away  
Turn away  
Run away  
Fuck with me

Don't say that it's over  
I'd kill to be closer  
A moment in passing, to you  
But to me  
I will wait  
And I'll take  
Anything with your name  
Don't say that its over  
You can't live without me

Live without me  
Live without me

But you can't take away  
Turn away  
Run away  
Fuck with me!

Don't say that it's over  
Don't say that it's over  
I'd kill to be closer

Don't say that it's over  
I'd kill to be closer  
A moment in passing, to you  
But to me  
I will wait  
And I'll take  
Anything with your name  
Don't say that its over  
You cant live without me

(Don't say that its over)  
You cant live without me  
(Don't say that its over)  
You cant live without me  
(Don't say that its over)  
I'd kill to be closer  
I'd kill to be closer

You can't live without me
