

Devotion

Burn Season

Sometimes I look at old pictures
Sometimes I think of what used to be
But I want to forget all this madness
And I want you, I breathe you in with:

Devotion
You're draining all my emotions
Afraid inside

You want to give up, give in, get out
And you just make me want to
Give up, give in and get out
And I don't really want to
Change the subject this time
Could I have nothing
I won't give up, give in, get out
Cause I have nothing to hide

Sometimes your amazingly selfish
Sometimes I wanna turn off my phone
But I hide it
Cause you're all I'm wanting
And I hide it
But this I must say to you
I'm finding out
I don't know how
I feel your breath
I give all I have

Devotion
Your draining all my emotions
Afraid inside

You want to give up, give in, get out
And you just make me want to
Give up, give in and get out
And I don't really want to
Change the subject this time
Could I have nothing
I won't give up, give in, get out
Cause I have nothing to hide

Sometimes I look at old pictures
Sometimes I think of what used to be
But I want to forget all this madness
And I want you, I breathe you in with:

Devotion
You're draining all my emotions
Afraid inside

You want to give up, give in, get out
And you just make me want to
Give up, give in and get out
And I don't really want to
Change the subject this time
Could I have nothing

I won't give up, give in, get out
Cause I have nothing to hide

You want to give up, give in, get out
And you just make me want to
Give up, give in and get out
And I don't really want to
Give up, give in, get out
And you just make me want to
Give up, give in and get out
Could I have nothing to hide
