

Century Song

Burning Brides

riding on down the open road
I'm on a straight line
yeah I was on my way to the holy ghost
when the devil rolled by

from the fire to the ashes the angels call
to find a home
didn't know what I had had till I found it gone
now I'm waiting all day long

for a century song
I'll sit and wait for a century song

write it all down before you die
the lesson I'm learning
yeah I was soaking wet in a cold black lie
that I could
