

## Century Song

## Burning Brides

riding on down the open road  
I'm on a straight line  
yeah I was on my way to the holy ghost  
when the devil rolled by

from the fire to the ashes the angels call  
to find a home  
didn't know what I had had till I found it gone  
now I'm waiting all day long

for a century song  
I'll sit and wait for a century song

write it all down before you die  
the lesson I'm learning  
yeah I was soaking wet in a cold black lie  
that I could
