

Ring Around The Rosary

Burning Brides

Fighter pilot down upon the road
Where the house is supposed to be
No survivors in this tug of war
Ring around the rosary

Business swindles as the gavel falls
I can hear them singing through the walls
Less is more, less is more
Less is more, less is more

Fill the hole with what will satisfy
Where my heart is supposed to be
Chopping heads is coming naturally
Now it's down to you and me
Entertainment for the over bored
I can hear them singing less is more

You don't know who the hell you are do you?
In the pond we're cousins brother
Go ahead chop their heads right off
You're just like any of us
Baptized into the water
Scattered free into the garden
Play dead like a modern reptile
Let me see you smile

Fuck you
Fuck the rest of them
I live on my own planet
Baptized into the water
Scattered free into the garden
