Don't break this heart Don't break this heart Down by the riverside Down by the riverside Oh I love a girl All I know I love a girl I love her so, I really, really ..... She could be from Africa She could be from America She could be from Jamaica All I know I love a girl. Oh I love a girl I love her so, I really, I really care Don't break this heart that love you Don't break this heart that love you And neither tear it apart I love you, oh yes, it's true I will hold you tight tonight Have something real nice to say, Have something real nice to say, We will hold hands in hands We will sing, I tell you, happy songs. We will be, I tel you, side by side /:Down by the riverside Down the beautiful riverside :/
